

Quarterly Board of Directors Update

Volume 3, Issue 1

Spring/Summer 2016

Gatehouse Completion!

As a way to increase the flow of traffic through the Auburn House Gates, we've introduced the Gatehouse as a secondary entrance and exit to the park. This gate can be accessed during all operating hours starting July 1st, 2016.

Water Safety

The Board of Directors is very passionate about keeping our residents safe. We've partnered with the Lifesaving Society and BMO to install a new lifejacket station located down by our boat house.

A friendly reminder that life jackets must be worn at all times while using ABRA boats and/or paddleboards.

Auburn Card Mandatory for Access

Effective June 17th, 2016 all residents must present their membership cards to gain access to the park and lake.

Mark Your Calendars

The 2016 Annual General Meeting has been scheduled for September 29, 2016. All residents will receive the 2016 AGM package in the mail in September prior to the meeting.
