Account Creation Instructions

The Auburn Bay Residents Association has transitioned to a new version of software in time for the 2017 Spring Programming Season! This online software will allow you to register for programs, as well as pay annual fees, if you are a homeowner in the community. If you are a current resident of Auburn Bay, and/or you had an online account with our previous software, your account is still active – however, you will need to reset your password. **Please DO NOT create a new account.**

To get started, go to <http://central.ivrnet.com/abra> and click **Login** in the top right corner. You will be directed to the 'Sign In' page. Once there, click on **Forgot password?**

Below the "Password" field is a blue link "Forgot password?" which is highlighted with a red rectangular box. At the bottom left, there is a link "Don't have an account? Register". At the bottom right, there is a green button labeled "Log in".

Next, type in the email address Auburn House has on file for you, or that you had previously used for online registrations.

DESCRIPTION
Come join us in playing Canada's game! Head instructor, Eric, will teach you the rules and skills to become a hockey player. Eric is our ice hockey and learn to skate programming instructor. He makes his classes fun and you'll learn sportsmanship while getting a great workout.
Please bring proper indoor running shoes and a water bottle.
Floor hockey sticks and balls/pucks are provided. Ice hockey sticks and pucks are not permitted in the gymnasium.

Once the registration has been completed, it will add your registration to your Cart. The new software functions like an e-commerce store. Simply add one or more program registrations to your Cart, then make one payment online through credit card.
